SPACE

European Network for Business Studies and Languages

NETWORK OF HIGHER EDUCATION
INSTITUTIONS - LEARNING BY SHARING

What is SPACE Network?

SPACE Network - created in 1989 - is a European/international network of predominantly professional HEI's including universities & VET schools servicing researchers, teachers and students on levels 5, 6 and 7, in the field of Business, Languages, Entrepreneurship, Hospitality and Tourism.

Why SPACE?

It provides :

- 🌐 assistance in the submission & management of European projects;
- 🌐 new teaching & learning methods;
- 🌐 conceptual & applied research/innovation;
- 🌐 a space for sharing & dissemination of new teaching and learning materials & methodologies, research & innovation, outcomes of projects;
- 🌐 participation in a wide range of projects.

General activities

- 🌐 Annual General Meeting and Conference
- 🌐 Annual project meeting in autumn
- 🌐 Regular publication of Journal of Advances in Higher Education
- 🌐 Special Committee Meetings
- 🌐 Networking
- 🌐 Involvement in Projects
- 🌐 Sharing courses & teaching techniques (workshops, e-learning,...)
- 🌐 News letters
- 🌐 Support for members in the activities they organize in their institutions

Advantages of belonging to an international network

- 🌐 Find opportunities to raise your profile & build connections
- 🌐 Surround yourself with positive, uplifting people that help you to grow & thrive
- 🌐 Get fresh ideas & perspectives
- 🌐 Work & innovate together
- 🌐 Receive advice & support from peers with different cultural backgrounds
- 🌐 Shared knowledge = expanded knowledge
- 🌐 Learn to see things from different perspectives & avoid pitfalls

Advantages of being a member of SPACE Network

Conference

- 🌐 Reduced Conference fee for members
- 🌐 Have one representative of your institution present at the AGM for proposals
- 🌐 Possibility to hold the next Conference at your institution

Projects

- 🌐 Professional assistance in European Higher Education projects
- 🌐 Priority invitations to be a partner in projects of SPACE

Private electronic platform

- 🌐 Access to the electronic learning, information and exchange platform
- 🌐 Find new teaching materials, courses, etc. or share your own materials

Website

- 🌐 Have your events, initiatives, etc. announced on the SPACE website under "News" and reach a broad audience

Other networks

- 🌐 Since SPACE also has a connection with other networks (EURASHE, ACCINET, ULIXES, BOLOGNA CLUB, CHAIN5), this allows members to have a voice in those networks as well, even not being a member there

Extras

- 🌐 SQORE - case competitions
- 🌐 Open to new ideas/initiatives
